Summary

A Computer Science student at Assiut University with a strong passion for Cybersecurity. I'm particularly interested in Penetration Testing, focusing on main domains:

Web Penetration Testing

Network Penetration Testing

Android Penetration Testing

I'm always eager to expand my knowledge, work on hands-on labs, and develop practical skills that prepare me for real-world challenges in cybersecurity.

Experience

Academic Research Formatting Assistant (Freelance) 2026

- Prepared and formatted educational diploma graduation research papers using Microsoft Word.
 - Organized and structured research content according to university and faculty requirements.
 - Collected and integrated official university and faculty logos, cover pages, and required academic elements.
 - Applied professional document formatting, including headings, references, page layouts, and tables.
 - Ensured research documents met submission guidelines and presentation standards.
-

Skills

Computer science: C++ (oop , Data Structures , Algorithms) , Python , Problem Solving .

Penetration Tester: Network Penetration Testing , Web Penetration Testing , Android Penetration Testing , WAPT ,MAPT , EJPT v1 , Red Teaming , Labs (THM , CyberTalents , PortSwigger) .

Front End: HTML , CSS , Bootstrap, JavaScript .

Back End: PHP , Python , MySQL .

Flutter Development: Dart , Flutter , java .

IT : ICDL , A+ , CCNA .

Extra Skills: MATLAB , Microsoft Office , Linux+ , Bash .

Soft Skills: Time management , Body Language , Leadership , Teamwork , Persistent , Social Engineering .

Education

Bachelor's Degree in Computer Science

Sep 2022 – Jun 2026

Faculty of Science, Assiut University

GPA: 3. 50

Projects

Tracking Application (Graduation Project) • [↗](#)

- Developed a real-time location tracking mobile application using Flutter.
- Implemented authentication, connection management, and live location sharing between users.
- Integrated GPS services, REST APIs, and interactive maps for real-time tracking.
- Technologies: Flutter, Dart, Dio, REST APIs, Geolocator, Flutter Map, SharedPreferences.

Grade: Excellent (99)

Real-Estate (Front End) • [↗](#)

I worked on the Home page and About-Us page .

Valorant Armory (Front End) • [↗](#)

Certificates

- ICDL from Faculty of Science [↗](#)
- Python Programming from Red Hat [↗](#)
- HTML , CSS from ITI [↗](#)
- Javascript from ITI [↗](#)
- Cybersecurity Track from GDG [↗](#)
- Red Teaming from RedNexus [↗](#)
- Cybersecurity from Mahara Tech [↗](#)
- Web Designer from NTI [↗](#)
- English from ABPS [↗](#)

Languages

Arabic (Native) English (Intermediate)
